NURSERY-OUR WORLD AND OUR PEOPLE— FIRST TERM

WEEK	INDICATORS/ EXEMPLERS
1	Demonstrate the understanding that all learners are wonderful and have unique body features that make them different from other people and other God's creation in the environment.
2	Identify and talk in simple sentences, about the features of our body that make us unique and different from other God's creation. E.g. animals - <i>Have them talk about themselves focusing on the uniqueness of their names, the homes they are from, their physical bodies, how tall or short.</i>
3	Demonstrate the understanding of appropriate names of the parts of the body and describe the functions of each part
4	Using a conversation poster of body parts, learners talk about the functions of the parts of the human body that we can see.
5	Demonstrate how to care for my body parts e. g. hand, feet fingernails washing, face washing, nose
6	Sing songs and rhymes about how we take care of each part of the body and demonstrate how to do it. e.g. This is the way we wash our face
7	Talk about different types of food they eat at home and classify them grow healthy. (Body building food, energy giving food etc.)
8	Demonstrate understanding of how keeping our home and school environment clean can keep us healthy and strong.
9	Talk about how we can keep our environment clean in order to avoid getting sick. - <i>Show them a conversational poster with people defecating around their homes and at school</i> - <i>Discuss the causes of sickness</i>
10	- <i>Ask learners how our environment can cause us to be sick.</i> - <i>Have learners contribute to how we make the environment dirty.</i>
11	Demonstrate understanding of measures to take to keep safe (from accidents, hurts, and harms).
12	- <i>Teach the rhyme "if you see a traffic light, there is something you should know, red means stop..." and have learners recite it with you with actions.</i>
13	REVISION
14	END OF FIRST TERM EXAMINATIONS

NURSERY-LANGUAGE AND LITERACY— FIRST TERM

WEEK	INDICATORS/ EXEMPLERS
1	Sing an action song that helps learners name the parts of the body and point to them.
2	Sing songs about the body parts and the letters of the alphabet and clap hands on the rhythm of the songs.
3	Demonstrate the understanding of appropriate names of the parts of the body and describe the functions of each part
4	Learn and use new /vocabulary related to what they do with the parts of the body - <i>Have learners match pictures of the parts of the body with pictures</i>
5	Demonstrate understanding of the importance of personal hygiene and how to care for my body parts e. g. hand, feet finger nails washing, face washing, Watch a short video clip and talk about how to care for the various parts of the body.
6	Talk about what we use in caring for the human body in our everyday life Stress the words that show caring for the body as learners sing songs about personal care of the body parts and clap hands on the rhythm of the songs E.g. wash, brush, cut nails.
7	Demonstrate the understanding that eating good food and taking all my childhood vaccinations will keep me growing healthy and strong. Listen attentively, respond to an information text about foods we eat to keep healthy and use new content words learnt to create simple sentence (orally) on how to keep healthy.
8	Sing Alphabet song about food and identify the beginning letter of the most common food item the environment. E.g. Apple begins with /a/
9	Demonstrate understanding of how keeping our home and school environment clean can keep us healthy and strong.
10	Listen attentively to the read aloud text and share what they have learnt about diseases we can get from dirty environments - <i>Stress on cleanliness words during the reading activity (e.g. neat, clear)</i>
10	Sing alphabet songs that contain the letter of the week.
11&12	Master some alphabets Say alphabets from A-Z Write Upper case alphabets from A to H Identify beginning letters of words, eg. A for ant
13	REVISION
14	END OF FIRST TERM EXAMINATIONS

NURSERY— NUMERACY –FIRST TERM

WEEK	INDICATORS/ EXEMPLERS
1	Create sets of human parts that are similar and represent them with numbers up to 5. <i>Learners check on the body parts that are similar and draw them in Sets, count them and represent them with numbers one to five (1-5).</i>
2	Count the number of the names of the body parts in songs through clapping on the rhythm- <i>Have them draw more sets, with different parts and match them with sets of same numbers</i>
3	Compare lines and other shapes that are same and different <i>Have learners compare lines and shape of their body parts. E.g. the head looks like a circle, the arms are straight, the hand looks like a line. Compare length and size o</i>
4	Use number names to count, find out how many and match body parts with other part with same number (1- 5)
5	- <i>Show picture of different parts put in a set e.g. two eyes, one mouth, two hands, five fingers matched with 5 toes</i> - <i>Guide learners to count the materials used to clean the body (e.g. soap, toothbrush, sponge, etc.) seen in the video clip and/or those listed</i>
6	K1.1.4.1.4 Count and clap the keywords in songs about types of food
7	K1.1.5.1.8 Describe the attributes of 3-D objects and draw them
8	<i>Have each child describe the 3-D materials he/she has brought using words like big, little, round like a box or a can.</i>
9	
10	K1.1.5.1 Demonstrate understanding of how keeping our home and school environment clean can keep us healthy and strong. -
